## About Us

I would like to share with you a rare experience provided by a "HUMAN WONDER" who, despite total paralysis of his whole body, has remained undaunted for the last ten years and more, and had striven to help the active, inspiring social service.

In 1981, When he was only 27 years and a desperate cripple of six years, who had to be helped by others around him for every little movement of any of his limbs, He had the courage of conviction, injected and inspired by his mentor Dr.Amar Singh, and dared to establish a service organisation and christened it as "AMAR SEVA SANGAM" by way of paying his humble but sincere gratitude and tribute to the Doctor who has helped him out of the jaws of death..... I could well see for myself how this Ramakrishnan, even as he is progressing with faith and determination in his endeavors, is ever more dedicating himself to the upliftment of the poor and the disabled so that they may lead their lives without being a burden on others!

Interestingly, another crippled young man, Sankara Raman, Chartered Accountant with a sizeable practice of his own in Madras who happened to visit Ayikudy in January 1992, out of curiosity to see for himself what Ramakrishnan was doing there, lost no time in bidding good-bye to his lucrative auditing practice and settled down in Ayikudy to help and work with Ramakrishnan. Together they are striving to build Amar Seva Sangam in the true spirit of service to humanity.

May I also hope that Ramakrishnan and Sankara Raman will go on and on undaunted with the good and noble task of inspiring us with their own dedication and selfless service!

**MESSAGE**

Really, I have great pleasure in extending greetings on the occasion of the publication of Annual Report by Amar Seva Sangam, a reputed Charitable Society which devoted itself for the upliftment to rural poor and handicapped. It is highlighted that the institution is tirelessly doing service to the home children, special school children and spinal chord injured persons for more than quarter century.

I wholeheartedly wish that the Annual Report would definitely attain its objects and would be a mirror of achievements through the ages.

I am delighted that you are publishing the annual report for Amar Seva Sangham. From a small school for children it has grown as a Spinal injuries service for Southern India. You must consolidate your good work and keep up the high Standards. Our students are best friends. Keep a record of the children & their progress in Life. With dedication of the team of selfless workers it will continue to grow.

*With Best wishes to all the  
Staff and Inmates at the Ashram.*

## *Preface*

*Preparing an Annual Report, is an interesting and challenging exercise; as the activities of the Sangam, various events for the year which are a feather in our cap and our humble contributions to the welfare of the physically challenged and the society; all have to be precisely given under the Annual Report which would also include the financial details of the year under review.*

*Amar Seva Sangam which was started in 1981 got into a development mode and started rehabilitation activities for poor disabled children from 1991 with just eight children in a small room. Handi-Care International (HCI), Canada came to our help immediately and now we are helping more than 4000 poor physically challenged people every year. HCI has been a source of great support and inspiration in the last 17 years by way of donations and sponsorships. As always all our projects and endeavours have been fully supported and backed by individual donors, corporates, trusts and philanthropists both in India and abroad.*

*The Projects that began in the previous years such as Centre for Special School, Hostel for physically challenged youth both boys and girls continued to progress as per schedule, and we are confident that it would be inaugurated during 2009-10.*

*We humbly place on record the various Awards and Recognitions that have been received by us during the year.*

*We continued to enthusiastically participate in the Mumbai Marathon, Diary Project and other fundraising activities both in India and abroad taken up by our donors which has helped us in not only mobilizing funds, but also Amar Seva Sangam is now a name force to be reckoned to many as a centre which has taken up the cause of physically challenged in a holistic manner.*

*All our efforts and moments of pride has been possible only due to the continuing support and blessings of well wishers, donors and Institutions who have always been with Amar Seva Sangam. We continue to look forward to the support of one and all.*

## VISION

It is our vision to establish a Valley for the Disabled, whereby physically/mentally challenged persons live in a pro-active society where equality prevails irrespective of physical, mental or other challenged with the rest of the society. It is a futuristic vision whereby Amar Seva Sangam plays the role of an enabling agent to get the physically/mentally challenged “equality of status, equality in opportunities and equality in access”. It is a society where people are identified as differentially abled.

## MISSION

AMAR SEVA SANGAM's mission is to empower the disabled citizens by establishing a 'Valley for the Disabled' as a Rehabilitation and Development Centre for the region and developing models for self-help initiatives by integrating the disabled individuals with the society for improved living conditions in the village.

## QUALITY POLICY

**Amar Seva Sangam** is committed to satisfy physically challenged service users by empowering them to have an equal participation in the society. This is achieved by providing them the appropriate rehabilitation services of excellent Quality and continuously improving the same.

**Focus area to achieve the above are:**

1. Work closely with society, various NGOs and governmental organizations.
  - a. To enhance awareness on the need and means of empowerment.
  - b. To enhance the service facilities in the organization for rehabilitation to cope up with various challenges of all disabilities.
2. Make the organization as a “System driven one” by ensuring effective implementation and maintenance of Quality Management System and continuously improving the same.
3. Improving the quality of rehabilitation services by enhancing the competence of the human resource personnel in the organization.

## 2. Friends know no frontiers

### 2.1. The Dream Project – Centre for Special Education

The primary aim of this initiative is to build a centre for special education and train qualified educators for children and youth with developmental disabilities. The facilities and training that were existing did not meet the needs of an increasing number of children with moderate to severe developmental challenges and as a result staff are limited in their ability to help children reach their full potential.

The over reaching goal of this project is to change the focus of the program from a day care centre to a special education school by securing necessary additional training, facilities and equipment. Within this greater goal, other priorities include improved integration into the mainstream school system, improved networking with existing job training programmes and increased community and Parental involvement.

Early intervention and Parental training are important components of rehabilitation. In order to provide the best possible early intervention, the programme is targeted towards the educational needs of young children. Over time, the programme is intended to provide job skills training and to integrate with the existing vocational training for youth with physical disabilities at Amar Seva Sangam.

Another important initiative is to offer a more structured support and training programme for the parents of children at the centre.

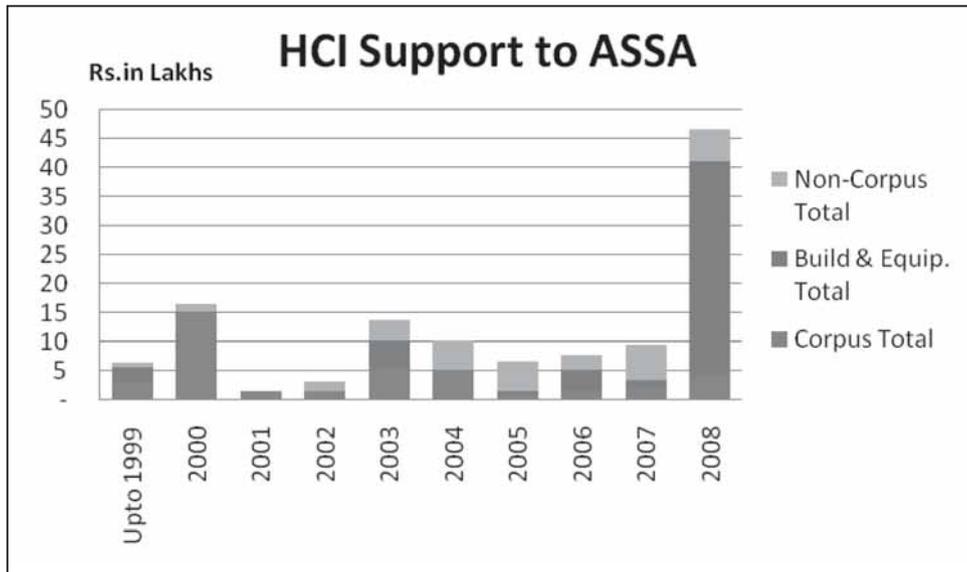

This support will help parents better understand their child's needs and allow them to participate more fully in their education. This programme will be modeled after an existing parental support system offered in the Village Based Rehabilitation centres at Amar Seva Sangam. It will be funded through other operational funding sources, but will make use of new facilities, resources and additional expertise of trained staff.

When the project was originally conceived in 2006, the estimated cost was Rs.25 lakhs. Handi-Care International, Canada who have always supported Amar Seva Sangam from 1993 through sponsorship programme, feeding programmes, endowments and other valuable assistance both for the children and the Sangam in the form of generators were approached for the funds

As the cost escalated from Rs.25 lakh to Rs.52 lakh due to cost increase in cement, steel, construction materials, etc **Handicare International, Canada President Smt.Sulochana Krishnamurthy and her team of supportive Directors and her daughter-in-law Smt.Kavitha Dinesh** organized fundraising programmes and the Indian community in Canada donated Rs.42 lakh for the project in 2008.

In a nutshell, with the support of the Indian community in Canada, Handi-Care International has managed to raise and disburse nearly Rs.1.2 Crore to Amar Seva Sangam in the past 17 years. HCI has disbursed an average of Rs.5 lakh (total of Rs.80 lakh) for 16 years from 1992 to 2007. 2008 was an exceptional year, where the people of Canada opened up their hearts and wallets to donate Rs.42 lakh to build the “Centre for Special Education”. HCI has sponsored 80 children with endowments. Since 2004, HCI has sponsored 25 children / youth for their higher education / Vocational training, every year. HCI has created endowments for almost 200 days of “Kamadhenu” feedings, thus far.

HCI has been amply rewarded by the children of Amar Seva Sangam, who continuously show progress in all respects. Many children have improved significantly in their physical rehabilitation. Almost every child has completed high school education. Most of the disabled youth that HCI has sponsored for higher education, have successfully completed and are finding gainful employment.

The project could not have been completed without the valuable financial help of **Rs.10 lakh extended by M/s.SWISS India Trust, Chennai** who came forward and contributed for two classrooms.

In view of this timely help the project which was commenced in October 2008 will surely be completed in May 2009.

### 2.2. Paadhai Trust

With the view to funding specific ongoing Village Based Rehabilitation programme, PAADHAI Trust, Bangalore have projected and identified donors in Switzerland / France. A contribution of Rs. 3.71 lakh has been received for the Sambavarvadakarai area which will extend a helping hand to development of

Parents' association and PMRC activities of SHGs such as economic, federation and training, awareness creation, education, social wellbeing, medical rehabilitation.

With their support 28 (26) Self Help Groups and 210 PDs (Persons with disabilities) have been rehabilitated (115). 10 special children got special education(5); 1 disabled children got school admission(2); 3 surgeries performed(2); 5 staff were imparted continued training(17) and through this 15 mental ill patients(18), 24 epileptic persons and their families got medical rehabilitation and support(31). The savings in the groups was Rs. Rs.3.76 lakhs (Rs. 2.08 lakhs); the loans advanced to members Rs.1.43lakhs (Rs.0.94 lakhs) and the return on investments was 37%. (35%) The number of persons with disabilities who got vocational training were 2 (6) and 2 got self employed(1) (Previous years figures are in brackets) We thank Paathai Trust and look forward their continued support

### 3. Major Events

#### 3.1. Kanchi Paramacharya Peetarohana Shatabdi Block

Kanchi Paramacharya Peetarohana Shatabdi Block—Spinal Cord Injured Post Acute Care Centre was inaugurated on 30th May 2008 by His Holiness Jayendra Saraswathi Swamigal of Kanchi Kamakoti Peetam Sankara Mutt. The Swamiji blessed the Sangam on the occasion. The newly inaugurated centre will go a long way to help mitigate the hardships of the disabled.

#### 3.2. Inauguration Sri.T.N.Natarajan Memorial Hall

Class Rooms donated by M/s. Nandalala Seva Samithi Trust, Chennai and Sri.T.N.Natarajan Memorial Hall donated by Shri S.M.Uzair to Sivasaraswathi Vidyalaya Middle School, Amar Seva Sangam were both inaugurated by Sri.S.M.Uzair, Managing Director, Hotel Woodlands, Hong Kong on 10th June 2008.

A grand function was held at the Sangam premises on 2<sup>nd</sup> November 2008 when Shri.J.Chandrasekaran, Chief General Manager, State Bank of India, Chennai Circle donated Computers and Dining Tables for the benefit of the physically challenged youth trainees, to improve their livelihood. The special keynote address was delivered by Founder President Shri S.Ramakrishnan. The Cultural Programme presented at the function was well appreciated by all the guests.

### 3.4. GCTians Programme

This is a unique programme whereby Ex GCTians, Coimbatore along with their family members organized their get-together at Tenkasi and Ayikudy in November 2008 / March 2009 by involving both Amar Seva Sangam and "Vetrikarantal" physically challenged SHGs. The Programme was an exclusive event wherein both the organizers and the participants enjoyed the new experience. The GCTians not only gave away prizes to the winners of the various competitions but also with view to

motivate the inmates pledged to devote more time at the Sangam besides helping by donating both in cash and in kind. They have also assured that such get-togethers would take place on a yearly basis.

### 3.5. Foundation Stone Laying Ceremony for Centre for Special Education

The Foundation Stone for the Centre for Special Education (known as Sangamam School) was laid by Shri.P.Kannappan, I.P.S., D.I.G. of Police, Tirunelveli Range on 16th September 2008. The Function was presided over by Dr.R.Kousalya Devi, Managing Trustee, Gandhigram Trust. Commander Ajay Singh, INS Kattabomman, Vijayanarayanam also present at the function.

### 3.6. Inauguration of Parents Managed Respite (PMR) Centre

Due to the innovative and continued efforts of our Village Based Rehabilitation field Office in V.K.Pudur, a PMR centre was inaugurated on 20th November 2008 by Dr.K.Murugiah, Mahalakshmi Nursing Home, Surandai. The highlight of the centre is that there were about 20 Mentally Challenged children staying in their respective houses. On 20<sup>th</sup> November 2008 the parents came together and were instrumental for starting the Centre. M/s. Gomathy Thanga Maligai, Surandai has agreed to pay the monthly rent of the Centre. Shri.Selvam, Proprietor, Sumathi Mobiles has kindly agreed to supply required

consumables for the Centre.

The Special Education provided at the Centre will be of great benefit to the affected children.

### 3.7. Sangamam School 11<sup>th</sup> Anniversary Function

The 11<sup>th</sup> Anniversary function of Sangamam School for Special Children was conducted on 13<sup>th</sup> October 2008. The participants of the cultural programme are the Special Children of the Sangamam School. The success of the programme is due to the hard work made by the children themselves besides the continuous and untiring efforts of the teachers in moulding the children to be as natural as possible as also motivating and encouraging the special children's parents also to involve and participate in the progress of the children. This also indicates the level of development and helps in analyzing and adopting new strategies for more effective improvement in the children.

Dr.S.Sumathi, Executive Committee Member welcomed the gathering which was presided over by Shri.T.Manohar, District Disabled Rehabilitation Officer, Tirunelveli.

### 3.8. May Day Celebrations

May Day was celebrated on a grand scale at the Sangam premises wherein the function was presided over by Mr.Chockalingam, Representative, Vestas Wind Technology Pvt. Ltd., Chennai. The Chief Guest was Mr.M.Ramdoss, Senior Regional Manager, Indian Overseas Bank, Tirunelveli. The keynote address was delivered by Mr.K.Prasanth, Provident Fund Officer, O/o. Labour Provident Fund Office, Tirunelveli. The function was attended by the staff and family members of the Sangam.

### 3.9. School Annual Day, Sports Day and Literary Club Valedictory Celebrations

All the above events took place on 10th February 2009 which was presided over by Chief Guest Mr.K.Vincent Baskar, District Elementary Educational Officer, Tirunelvel. The keynote address was delivered by Smt.P.Mary Hebsibha, Additional Elementary Educational Officer, Sencottai. The students also took part in a gala cultural programme.

### 3.10. Sixth State Level Sports Meet of Physically Challenged Persons

Six years in succession, once again our Home children and Youth trainees totaling 28 participated in the State Level Sports Meet for physically challenged persons held on 28<sup>th</sup> February 2009 conducted by Tamilnadu Handicapped Federation Charitable Trust, Chennai. We again won the Championship, Citations and Shield by scoring excellent points and winning 49 prizes.

## 4. Other Highlights

### 4.1. KR Block Expansion

The ground floor of the Guesthouse known as the Shri K.Ramasamy (KR) Block was constructed and inaugurated in the year 1999. The donors have once again come forward and contributed for the expansion by construction of the first floor of the Block. The work is in progress.

### 4.2. Donation of land:

Smt.Saroja Srikandan has kindly donated her family land property in Melapavoor village.

### 4.3 Hindu Mission Hospital, Tambaram

As in the previous years, Hindu Mission Hospital, Tambaram, Chennai continues to help our boys and girls in carrying out surgeries, fixing of Artificial Limbs and other services, besides their stay is free of cost. During the year 2008-09, seven physically challenged persons benefitted out of this scheme. We are grateful to Shri D K Srinivasan, Honorary Secretary, the Team of Doctors and staff of the Hospital for their humanitarian support which is continuously extended to us.

Before Surgery

### Master Marimuthu

*Master Marimuthu (8) who by birth had deformities on both his feet, walked by using the lateral surface of his feet. This created lot of discomfort to him while walking on uneven surfaces. After this successful operation we are happy to put on record the fact that today he moves around like any other normal child including attending to school.*

After Surgery

### 5.1.4. Medical Testing Unit (MTU)

This unit was conceived and started with Japanese aid in 1998. This being the nerve centre is well used by the families of the challenged persons. In view of the importance and popularity of this centre we have created a separate unit for newborn babies who may need physiotherapy attention right from the early stages. This centre offers more modern approach with many items like soft mattresses, mirrors, specific playing materials for the children and new rehabilitation techniques. All the facilities extended to the users are free of cost.

The results obtained are highly encouraging as can be seen from the progress made by the physically challenged persons.

### 5.1.5. SPINAL CORD INJURED POST-ACUTE CARE CENTRE

During the year 2007-08, the Kanchi Paramacharya Peetarohana Shatabdi Block Spinal Cord Injured Post-Acute Care Centre was inaugurated which looks after patients post surgery for Spinal Cord Injured from all over India based on criteria and norms laid down by the centre.

Year	Total no. of inmates	Discharged
2007-08	Eight	Three
2008-09	Fifteen	Seven

Based on the improvement of any patient, during his stay at the centre, Vocational Training is also imparted. Follow-up of discharged patients is also undertaken at the centre and based on our work and experience we are striving hard to get recognition for this centre as one of the best maintained spinal cord injured Post-Acute Care Centre in the South. The main aim of the centre is to inculcate a sense of confidence in the patient that notwithstanding the fact that he may not be fully cured he returns back to some sort of near normalcy such that he will be able to look after himself either on his own or with assistance. A multi-gym, an essential facility for treatment at this centre to strengthen muscle was procured during the year.

*P.Jayaganesh, who is now 33 years old, had an accident at the age of 22 at a sports event. Due to his poverty and lack of proper care taken, his neck injury became so acute that his hands became numb, there was tightness in his legs and he could not move with out any assistance. Last year he was admitted at our centre and was given medical rehabilitation.*

*Now in his present condition he is able to look after himself as far as his daily needs are concerned and he is now moving around with caliper and crutches. He has also successfully completed the certificate course in computers at our Vocational Training Centre.*

Over the years, 134 students were discharged out of whom 72 have been employed (54%). 13 students have been given higher education (10%).

People the status of discharged Disabled Youth Trainees is male – 60, female – 74. Year on year, there is a decrease in the occupancy rate of the Hostel strength; this is due to a large number of hostel inmates gradually move on and proceed for regular jobs outside. The placements are encouraging.

### 5.1.9. Tamilnadu Vazhndhu Kaatuvom Project

During the year, Amar Seva Sangam was appointed Block Disability Facilitating Agency for the above project which is run by the Government of Tamilnadu, Department of Rural Development & Local Administration with the assistance of the World Bank. It is being promoted with a view to reduce poverty of the very poor, disabled and vulnerable people and tribal communities. The overall goal of this project is to reduce rural poverty focusing on the poorest of the poor through support for productive activities and investments, using the community-driven Development approach.

Amar Seva Sangam has been selected as an implementing agency in view of the vast experience that we have in upliftment of physically challenged and vulnerable people from all walks of life both urban and rural besides wide exposure in Village Based Rehabilitation programme. Two Blocks have been assigned to us with a total of 46 Gram Panchayats and we are applying a cluster approach for effective results.

## 5.2. Vocational Trainings

### 5.1.2. Tailoring /Toys / Paintings etc.,

The tailoring section was established on 6.7.1999 at Ann Fischer Vocational Training Centre with only four physically challenged students. Prior to 2006, it was only a tailoring training centre. During the last three years, the section has undertaken job works for school uniforms, company staff uniforms etc. This section has empowered five youth both normal and physically challenged by giving them employment. Besides this, four physically challenged persons have now become full-fledged tailors as a consequence of the training imparted to them by the tailoring section.

Over the years, the tailoring section has grown from strength to strength and every year orders for uniforms from various schools and industries keep pouring in. We are also proud to state that our own staff uniforms are also stitched at the tailoring unit.

We are always grateful to M/s. V.V.Minerals, Tisayanvilai, Tirunelveli who have continuously placed their staff uniform / staff school children uniform orders with our tailoring section. During the year under review, orders for the staff uniforms (600 dresses) pertaining to one plant of the factory valued at Rs.2.13 lakh has already been received and executed.

In view of the excellent workmanship and time bound delivery we are assured that for the year 2009-'10 we will be getting orders of all their plants.

This vocational centre also functions as a handicrafts hub which makes toys, artificial jewellery, painting on fabric, ceramic, sarees, glass, stone and other allied activities. The centre is always upgrading its quality, bringing out innovative designs such that the items are always in good demand.

This centre also prepares all the mementos the Sangam presents to various visitors besides taking orders of the visitors who are impressed by the work and place orders.

August and February are the months when exams are conducted. Since computers are the order of the day, the enrolment for the typewriting centre (manual) is on the decline; however students still make use of our facilities to familiarize themselves with the keyboard. Now since Govt. of Tamilnadu has permitted students to appear for typewriting examination after completing 8<sup>th</sup> class of schooling, we hope that more enrolment will take place in the months to come.

### 5.2.5. Computer Centre

The Sri.Sathya Sai Computer Training Centre was established on 26.12.1995 which is affiliated to Tamil Nadu Polytechnic (Autonomous), Madurai. The first computer class commenced with four physically challenged students. The systems were increased, and new courses introduced and as on date a total of **917** normal students and **433** physically challenged students have completed their training successfully at our computer centre. The centre also provides placement opportunities for students in nearby areas. Job training is also being given to the physically challenged youth trainees for 6 months.

It is noteworthy that all the physically challenged students are given free vocational training.

#### 5.3.1. Middle & Nursery Schools

The Nursery School has been established ever since the Sangam was established in the year 1981. The middle School was established in 1991. In spite of new schools mushrooming in this region, our school continues to hold its special position as is evidenced by the increase in enrollments year to year, as a consequence of its integrated approach and barrier-free environment.

As a result of the initiative of the Sangam, she was successfully operated in 2007. She is now able to move around in crutches and her mobility is good. She came here after completing 12th standard and today after passing out as B.Com student from our INGOU Special Study Centre besides completing computer vocational course, she hopes to pursue a MBA course shortly. In order to equip her well she is now undergoing on the job training at Amar Seva Sangam's administration office

### 5.3.4. Alagappa University Study Centre

In view of the recognition gained by us by having IGNOU Special Study Centre at our campus, Alagappa University also envisaged interest for setting up its Study Centre. In this connection, MoU between Alagappa University and Amar Seva Sangam was signed on 22<sup>nd</sup> August 2008.

The enrolment position for the year 2008-09 is as under:

### 5.3.5. Advanced Information Technology Training Centre

Since we conduct classes for Indira Gandhi National Open University and Alagappa University classes, it was found necessary to have a state-of-the-art Advanced Information Technology Training Centre. Infosys, Microsoft and Cognizant have helped Amar Seva Sangam to develop such a centre at the campus with well equipped 18 LCD monitors, air-conditioners, stand by power and lastly barrier-free facilities for the students to make the best and optimum use of the centre. At present high demand courses like BCA, MCA, PGDCA, Dot-net, VB, C++, Photoshop etc are being

conducted at the centre by well qualified and experienced professionals.

It is noteworthy to mention that the facilities at the centre are being fully utilized by conducting e-accounting and professional courses like CPT classes for CA on week ends by professionals from Chennai.

## 6. Village Based Rehabilitation Initiatives (VBRI)

**The Village Based Rehabilitation Initiative** was conceived in 2000 as an innovative project for participation of persons with disabilities from all walks of life. Providing opportunities and challenges without discrimination or favour, provision of adequate support systems to neutralize their physical conditions and making them equal citizens which is now gaining further momentum. As there are more and more stories of success, there are also equal amount of challenges particularly in the field

*N.Mariappan*, 32 years who is suffering from Myopathy, has all along been diffident in view of his physical setback. Though he had a petty shop there was virtually no growth in his business. As a result of hard work put in by our VBRI staff who enrolled him in a SHG group whereby he could raise a loan and today his business is flourishing. He is ever grateful to Amar Seva Sangam and at the same time shares his experiences and creates awareness as to the facilities available to the differently abled. He also regularly undergoes physiotherapy treatment as part of medical rehabilitation.

of women education, savings and credit management and also in members participation in SHGs. Definitely the trend is very encouraging and the outlook very positive.

Mobilizing basic requirements amongst persons with disabilities in villages, creation of Self-Help Groups (SHGs), fulfillment of basic rehabilitation needs, assisting the groups for getting Governmental supports, helping them for educational and economical benefits, protecting cerebral palsy / mentally challenged persons, supporting them for handling their legal rights and further developing the groups into federations are some of the vitally important and focused objectives of Village Based Rehabilitation Initiatives Programmes.

Four Blocks in Tirunelveli District – Tenkasi, Kadayanallur, Keezhapavoor and Shencottah (about 330 villages) are covered under the purview of the VBRI programme. As an ongoing programme of Leadership Development, elections in the normal democratic manner was facilitated and conducted in the four blocks by Sangam. Leaders have been selected who are in the process of administering and managing Block Level and District Level Federation.

There is a need for expanding Amar Seva Sangam activities to Community Level SHG Programmes inclusive of Persons with Disabilities and the existing VBRI programme has matured to go to the

next level of inclusive group formations for Income generating Micro credit programmes. This needs aggressive approach in forming Self Help Groups and introducing Micro Credits at mass level by which the volumes will percolate income to group, federation, cluster and sponsoring organization levels. Though the major thrust is on federation, six aspects are being given maximum importance viz., SHG management, livelihood, information & advocacy, micro financing, office administration and rehabilitation. This will blossom into a movement which will achieve the dream and vision of Amar Seva Sangam to create a model “Valley for the Disabled”.

While the efforts for the success of Village Based Rehabilitation Initiatives are with Amar Seva Sangam, the funding is extended both by M/s.Caritas India, New Delhi and M/s.PAADHAI Trust, Bangalore besides contributions by the Sangam.

## People with Mental Illness (MI) Programme

**P.Syed Ali**, aged 24 years was normal and carrying on the business of distribution and sale of milk. Suddenly one fine day he became violent and started attacking his wife, mother etc. The neighbors were of the opinion that he should be treated by Tantrics. However, our VBR team during their routine visited Syed Ali's family and advised them of the importance of seeking immediate medical help. He was diagnosed for Schizophrenia. Since private hospital treatment is costly, our team ensured that he be admitted at the Govt. Hospital, Tirunelveli. The team not only followed-up his treatment but also paid his medical bills.

Today as a result of our programme, he is normal and we ensure that he takes his medicines regularly and now he is gainfully employed.

M/s.Vidya Sagar, Chennai have helped us immensely in the medical treatment and care of both mentally challenged / ill persons. Under this programme, twice a month, we arrange for sending the patients to Government Hospital, Tirunelveli for checkup, follow-up and required medication. There have been many success stories.

## 8. Computerisation

Amar Seva Sangam has always given high priority to computerization. In this connection we have the following:

- 8.1. **Management Information Systems (MIS):** This is a highly advanced section which has its own software programmes covering all the activities of the Sangam under one package. The entire computer facilities both software / hardware has the complete backing and support of well wishers from Chennai who regularly come down and help us in upgrading / solving any technical problems.
- 8.2. **Data Base Management (DBMS):** This section deals with all electronic print media, correspondence and communications dealing with Amar Seva Sangam activities; besides it is the nerve centre for coordinating and compiling all information and data relating to Amar Seva Sangam programmes which normally are meant for the general public, shareholders, donors and individuals. The main objective of centralizing all computer related works has been achieved by the formation of this department. One more objective that has been achieved is compiling of all old data from books and records have now been converted to electronic media for easy retrieval.
- 8.3. **Hardware Solutions:** One of the unique features at Amar Seva Sangam is that not only the software is indigenously developed but the hardware solutions viz., maintenance of 83 computers, five server systems, two broadband services and all other activities required to run the software smoothly are taken care of.

## 9. Exchange Programmes

### 9.1. Programme for distribution of Lightweight calipers

A programme for distributing lightweight calipers to our inmates and staff was organized by Dr.Thangamoorthy at Kadayanallur in which Honorary Secretary Shri.S.Sankara Raman also participated. The Calipers were manufactured in house, and were presented to various beneficiaries.

### 9.2. Rehab Mela at Vellore

The Honorary Secretary participated in the Rehabilitation Mela organized by the Rehabilitation Centre of Christian Medical College, Vellore at Bahayam. The Secretary met many Spinal Injured Patients and also the Rehabilitation team members. Poojyasri Narayani Amma has offered sponsorship for the surgeries done on the disabled people of Amar Seva Sangam.

### 9.3. Visits by Overseas and Indian students:-

- ★ A four member medical students' team from Indian Health Initiatives (IHI), Canada visited our Sangam from 7<sup>th</sup> to 26<sup>th</sup> July 2008. Their visit and suggestions have added values to our service, besides they have also donated in cash and kind during their visit.
- ★ Physiotherapy students from Mc Masters University, Canada, under an agreement, were at the Sangam from 21<sup>st</sup> July to 22<sup>nd</sup> August 2008. Their presence was utilized for sharing of knowledge; improve documentation and hygiene aspects in Medical Testing Unit.
- ★ Awareness Creation and Skills Spreading – Amar Seva Sangam conducted the following:
  - Devendrar College of physiotherapy students training programme from 15<sup>th</sup> to 25<sup>th</sup> September 2008.
  - Two days training programme for Post-Acute Care Centre's caregivers and family members of the patients to enable them to take care of the patients even in their home.
  - M/s.Teaching Abroad, Sivakasi have during the last five years identified through their contacts abroad and deputed foreigners (both students and the general public) who have visited our rehabilitation centre and extended voluntary help which has helped them to gain knowledge of our working besides giving valuable inputs. Their visit has indirectly helped in projecting Amar Seva Sangam's image abroad as an advanced and highly professional organization.

## 10. Management Programmes

As a follow-up of the observation made in the Annual Report 2007-08, the Sangam is happy to state that CA / ICWA / CS and other professional course training is being imparted to aspiring candidates in the nearby areas. This has added to both the revenue of the Sangam as well as boosted the good will.

## 11. Advocacy

11.1 Amar Seva Sangam has been a premier organization which has always kept the physically challenged communities interest upper most in its mind. Down the years the organization has been instrumental in initiating Barrier-Free Environment facilities at Tirunelveli new bus station, Nellaiappar Kovil, Tirunelveli and Tenkasi Railway stations. We have also put forth valuable suggestions to make ICF passenger railway coaches more user friendly for the physically challenged.

11.2 As a contribution, the Honorary Secretary has donated a piece of land opposite to the Sangam wherein a Barrier-Free Bus Stop has been constructed by the State Government for the use of public.

11.3 World Physically Challenged Day Celebration.

World Physically Challenged Day was celebrated on 4<sup>th</sup> January 2009 by Physically challenged children, youth trainees, special children of Sangamam School, Teachers and students of Sivasaraswathi Vidyalaya, Staff and Management and, Vertrikaranga Self Help Groups of physically challenged from Shencottah, Kadayanallur, Keelapavoor and Tenkasi Blocks of Amar Seva Sangam. On this occasion, a cultural programme by the physically challenged children & youths was presented and a public meeting was also organized.

### 13.4 Mumbai Marathon 2009

The Mumbai Marathon an yearly event held in the month of January is a source of fundraising for us. As in the previous years Mr.S.Sankara Raman, Honorary Secretary took part in the wheelchair event, while Mrs.Ramani Sankara Raman and Joint Secretary Mr.A.Ramasubramanian participated in the Dream Run. This is the Sangam's 6<sup>th</sup> continuous year of participation in the Marathon. A sum of Rs.6.11 lakh was raised during the event.

It is observed that the funds raised during the Marathon this year has been comparatively less than in the previous years. The main reasons for the decline in the amount raised are because of Global slowdown and also due to two major donors who together normally contribute about Rs.6 lakh are now supporting projects in Maharashtra only.

The organizers M/s. United Way, Mumbai who organised the Marathon of 2009 will also be instrumental in helping us get funds for our various schemes from many donors.

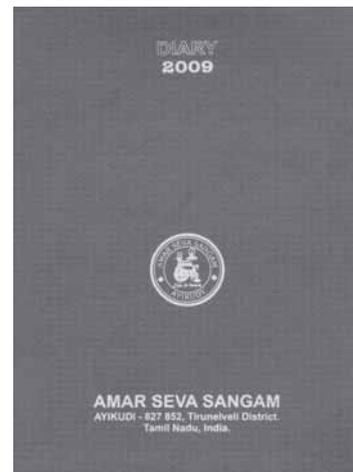

### 13.5 Diary Project 2008-09

Amongst the various fundraising projects, our diary project which was introduced in 2001 is a novel way to mobilize funds since we are promoting it as a souvenir diary and not just as a diary, besides increasing the fold of well-wishers during every New Year. Under this, high quality diaries are purchased by us and we incorporate our one page insertion besides printing advertisement materials of corporate well wishers. These souvenir diaries are brought out by charging nominal charges to corporates. Besides this, many of our donors request us to insert their advertisement as also incorporate their corporate logo on the cover of the diary. This normally is for bulk orders. It has been evaluated that under this scheme, Amar Seva Sangam's name reaches approximately 10000 people who have the potential to become Amar Seva Sangam's well wishers. It is noteworthy that this fundraising programme is a big success due to the hard and relentless work put

Sale of Diary

in by the Public Relations Souvenir Diary department. During the year 2008-09, we could raise a sum of Rs.9.35 lakh under this fundraising programme. It is observed that year on year, the income under this head has shown a remarkable increase. The donors of the souvenir diaries are entitled to income tax exemption as per the relevant section of the income tax act.

**AUDITOR'S REPORT**

We have audited the attached Balance Sheet of **AMAR SEVA SANGAM, SULOCHANA GARDENS, 7-4-104 B, TENKASI ROAD, AYIKUDY – 627 852 (herein after called Trust)** as at **31<sup>st</sup> March 2009** and also the attached Income and Expenditure Account for the year ended on that date annexed thereto. These financial statements are the responsibility of the Trust committee. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

1. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of the audit.
2. In our opinion, proper books of accounts as required by the Trust Act and Rules there under and Bye Law of the Trust have been kept by the Trust which give all information required by the Act and in the manner so required.
3. The Balance Sheet and the Income & Expenditure Account dealt with by this report are in agreement with the books of accounts of the Trust.
4. In our opinion and to the best of our information and according to explanation given to us, the said accounts give all the information required by the Trust Act, and Rules therein in the manner so required and give a true and fair view subject to point no in the notes to accounts:

i. In the case of Balance Sheet of the state of affairs of the Trust as at **31<sup>st</sup> March 2009**.

ii. In the case of Income and Expenditure Account of the excess of expenditure over income (Deficit) of the Trust for the year ended on that date.

## NOTES ON ACCOUNTS

### 1. Significant Accounting policies

#### a) Trust Overview:

Amar Seva Sangam was incorporated in the year 1981 as a Charitable Trust registered under Tamilnadu Societies Registration Act, 1975 vide certificate no TSI 16/1981 a model center catering to all the needs of the disabled.

#### b) Basis of preparation of financial statements.

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India to the extent applicable. The financial statements are presented in Indian rupees.

#### c) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### d) Fixed assets and depreciation

Fixed assets are carried at cost of acquisition less accumulated depreciation. The cost of fixed assets includes freight, duties, taxes and other incidental expenses relating to acquisition. Depreciation is provided on the written down method as per the provisions of Income tax Act 1961.

#### e) Inventories

Inventories are carried at the lower of cost and net realisable value..

Cost comprises purchase price and all incidental expenses incurred in bringing the inventory to its present location and condition. The method of determination of cost is as follows:

- ▶ finished goods - at landed cost on a first in first out method
- ▶ Stores and spares - at landed cost on a first in first out method

#### f) Retirement benefits

Contributions payable to the recognized provident fund, which is a defined contribution scheme, are charged to the profit and loss account.

Gratuity and leave encashment costs, which are not under defined benefit schemes, are and no provision accrued in the books.

#### g) Revenue recognition

Donations are accounted on cash basis . earmarked and specific donations are accounted appropriately in the books and the same is utilised for the purpose for which it is received. The funds received on account of non earmarked/general will be used as per the discretion of the Trustees.

Interest on deployment of surplus funds is recognized using the time proportionate method based on underlying interest rates and the same is taken to specific earmarked funds. Wherever mandated by the donor..In all other cases it is taken to revenue.

Interest Income recognized in the books separately and disclosed as Income separately for non earmarked funds.

**h) Foreign exchange transactions**

Foreign currency transactions are recorded at the rates of exchange prevailing on the dates of the respective transaction.

**i) Provisions and contingent liabilities**

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

**j) Investment**

The Investments are recorded in the books at cost and fixed Deposits at the end of each year include accrued Interest in case of deposits deployed under Reinvestment plan.

**2. Capital commitments and contingent liabilities**

		<b>31 March 2009 in Rs</b>	<b>31 March 2008 in Rs</b>
I.	Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for	840,804	
II.	Contingent liabilities: a) Bank Guarantee given	118,062	118,062

3. Previous years' figures have been regrouped/ reclassified wherever necessary to conform to the current year's presentation.

**15. General**

**15.1 Foundation For Excellence (FFE), INC, Mumbai – from 2001**

This is yet another philanthropic activity monitored and coordinated by Amar Seva Sangam. 14 financially backward but outstanding students studying in different higher secondary schools, colleges and polytechnics including professional colleges are awarded financial assistance, extended by Foundation For Excellence, Mumbai.

**15.2 Media coverage**

Our services are recognized through the media in the form of newspapers clippings, TV coverage and articles in magazines and books. The media coverage has been in Tamil, English and even Hindi. News about Sangam's activities and awards have appeared regularly both in newspapers and magazines during the month of February, July and December 2008, January and February 2009. We have been covered extensively by Jaya TV, Sun TV, Kalaignar TV, Zee TV and Pothigai. All India Radio (AIR) have aired about the Sangam activities.

### **15.3 ISO 9001-2000 certificate**

By following the necessary guidelines to benchmark its practices against International Standards, Amar Seva Sangam continues to enjoy the certification based as a highly credible and professionally managed NGO not only in India but also abroad.

### **15.4 Disaster Management**

In today's complex world, Disaster Management plays a very valuable role and it is the endeavour of the Central Government / State that all organizations should have a Disaster Management Plan in place. In this connection Amar Seva Sangam will be working out a Disaster Management Plan for the organization before March 31, 2010.

## **16. Future proposals and projects**

- Community Centre with self-contained cottages for the disabled children, youth and staff including care-giving and recreational facilities.
- Well equipped Training Hall
- Gymnasium, Hydrotherapy, Study and Prayer Hall
- Water supply project for the campus
- Solar Lighting and Energy arrangements, Wind Mill and Non conventional energy generation units
- Internal roads and Compound wall
- Meditation Hall

## **17. Our Major Challenges**

Our challenge is maintaining high level of fund raising to sustain our projects. It is all the more challenging in a continuously increasing service user base, and very steep increase in our cost in an environment of high inflation which has multiplier effect on the cost of our activities. Finding a sustainable resourcing model is a big challenge.

A separate company is being formed for Development of Software as a special vehicle for generating income. Similar such special funding vehicles are being considered through the medium of Micro Finance, Training and Production Centres which can feed regular income to the Sangam.

Capacity Building and Communication Skill training, particularly in the areas of Section Management by the respective heads, and to make the activities to run based on systems is also a daunting challenge.

With sincere, planned and dedicated efforts with the blessings of God, we plan to work as a team and achieve our goal of sustainability both in terms of funding as well as systems and human resource development over a period of time.

## Conclusion

An Annual Report of service organization like Amar Seva Sangam can never be complete without placing on record our sincere thanks, appreciation and support we have continuously been receiving from Patron-in-Chief Dr.M.S.Swaminathan, Patrons Shri N.Vaghul and Shri S.V.Mony, Executive Committee Members, General Body Members, Advisory Board Members, Past Ex-Officio Chairman, Statutory Auditors, Legal Advisors, Consultants, Doctors, Volunteers, Well-Wishers and donors both in India and Abroad. A special thanks to M/s. Tamilnad Mercantile Bank Ltd., Thoothukudi and M/s.G.R.Thangamaligai Jewellers, Chennai who have consistently for many years supported us in bringing out the Annual Report. Lastly, but not the least, our heartfelt thanks to the hardworking staff whose continued efforts help us to run the organization. We pray for all the good souls who are with us always.

Thanking you
